**Notes:**

- 1. The Users can use any valid Class –II / Class –III Digital Certificate issued by any Certifying Authorities registered with Controller of Certifying Authorities of Government of India.**
- 2. The Users should have both Signing and Encryption certificate to perform activities on the portal**
- 3. Price quoted above is our pricing for issuance of dual Class –II and Class –III Digital Certificate valid for one (1)year and two (2) years issued by Safescrypt Limited along with e-Token.**

4. It may take up to a maximum of seven (7) working days to issue the Digital Certificate after receiving all the necessary documentation along with the payment.
5. To be able to use Dual Class –II / Class –III Digital Certificates (SHA-256 Hash Algorithm and 2048 bit RSA Key Digital Signature Certificates) the Users are required to use Windows XP Service Pack3 / Windows Vista / Windows 7/ Windows 8 Operating System.
6. In case of renewal of Digital Certificate, the same process of documentation and payment is required to be followed. In case the Applicants do not want a new e-Token and wish to use their existing e-Token at the time of renewal of Digital Certificate, then the Demand Draft / Pay Order of Rs. 2,000/- (for 1 year validity Class II) or Rs 2,900 (for 2 year validity Class II) or Rs. 3,950/- (for 1-year validity Class III) or Rs 6,000 (for 2-year validity Class III) along with the e-Token should be sent along with the documentation and payment. If new e-Token is required charges will be same as new Digital Certificate purchase.
7. Users are also requested to refer RCAI (Root Certifying Authority of India) Validation Guide
