

Annexure 'A'

1. Description & specifications:

Fabrication, inspection, safe delivery and warranty of self-extinguishing grade (type-2) moulded expanded polystyrene BOX along with lid as per our drawing attached herewith & specifications therein, using its own raw material and mould.

2. Quantity: 2000 Nos.

3. Accepting criteria:

(i) Pre-dispatch inspection will be carried out at supplier's works and shipping release will be issued accordingly. Physical dimensions and density will be determined during pre-dispatch inspection. Further, raw material test report submitted during pre-dispatch inspection will be verified before the final acceptance at our site.

2% box along with lid of ordered quantity shall be selected randomly for pre-dispatch inspection.

The supplier shall inform indenting officer for arranging pre-dispatch inspection at its works and also submit test report in support of the raw material from govt. Approved laboratory (preferably from NAB accredited lab).

(ii) To avoid rejection, supplier shall get approved at least 4-5 sample prior to effecting bulk manufacturing.

4. Warranty:

The EPS Box along with lid shall be free from manufacturing defects. The supplier shall guarantee free replacement of defective box, if any, for a period of 12 months from the date of final acceptance at our site.

5. Delivery schedule:

The supplier shall deliver the ordered stores safely in 4 lots quarterly within a period of 12 (twelve) months from the date of firm purchase order, using its own labour for unloading at Vashi zonal stores, BRIT/BARC complex, sector-20, Vashi, Navi Mumbai-400703.

6. Packaging:

Ordered stores shall be packed in good quality packaging.

7. Qualification criteria for bidders:

The bidders must have its own manufacturing facility and mold. Quotations received from traders will be rejected summarily.
